

AGROVET LIBRARY
LEARNING ACTIVITY 2021
“MORE THAN GOOGLE!”

The tools available for you to make a bibliographic search and create an appropriate bibliography for your thesis are more than you think!

Discover with us the most appropriate strategies to find the best learning resources that you need (and how to evaluate them!).

The Library activated a course on the platform moodle consisting in two teaching modules, lasting 30 minutes each:

- 1) The bibliographic research: methods and resources.**
- 2) Bibliographic management with EndNote.**

The registration is completely free!

You can find all information and the link to log in on the library's site:

<https://www.bibl-agrovvet.unito.it/it>

For further information write to us to: biblioteca.agrovvet@unito.it
